

See Trees being cut in Delhi?

- Take pictures & videos of the incident.
- Ask the tree cutters for permission letter from the Forest Department / DCF.
- If they do not have a permission letter, call 112 or 100 and ask for the PCR to arrive on location. Also tweet (@DelhiPolice)
- While you wait for PCR to arrive, call and inform 1800118600 (Green Helpline) of the Forest Department, and tweet to Delhi Govt (@AapKaGopalRai)
- Upon arrival of the PCR, ask them to stop the work and maintain status quo till Local Police arrives.
- Upon arrival of Local Police, ask them to call the Forest Department to verify the authenticity of Permission. If the permission is not authentic or cutting is happening beyond which has been permitted, then ask them to register an FIR under the Delhi Preservation of Trees Act, 1994 and inform the Forest Department of the same.
- Request that the implements and felled wood be seized.
- Give a written complaint with details of what, where, when, why and how things happened and take a copy with receiving stamp from the Police station.
- Please also write separately to your concerned divisional Deputy Conservator of Forests (DCF) / Tree Officer and other senior officers.
- Click here for Forest Department Contact Numbers.

Do send the complaint & pictures to any media that you can. Tag Warrior Moms for support on social media or write to us for assistance. You could find sample complaints from the website.
